

# Join us & help feed the hungry in Johnson County!

**15,000 families in our community sought help for food last year.**

The economy has affected everyone but none more than low-income families, who were already struggling before lay-offs and work hour reductions hit our area. The Crisis Center's Food Bank and North Liberty Community Pantry are experiencing nearly 30% increases in requests for food assistance.

**YOU CAN HELP!** Participate in the 2010 Thanksgiving in July community-wide food drive. Individuals, businesses, civic organizations and faith based groups are encouraged to host a food drive or fundraising activity in the month of July. Post a flyer and collect non-perishable items, charge employees to participate in a "casual" Friday, or hold a neighborhood drive. The possibilities are endless and the need is so great. Complete the registration form below and fax or detach it to send by mail.

**Visit [www.thanksgivinginjuly.org](http://www.thanksgivinginjuly.org) for food drive & fundraising ideas or to download additional registration forms, flyers, and more!**
