Feeding our neighbors...

15,000 families in Iowa City, Coralville and North Liberty sought help for food last year.

The Coralville Ecumenical Food Pantry has experienced a 60% increase in the monthly number of Coralville households served in the past year. The Coralville Ecumenical Food Pantry is partnering with the Crisis Center Food Bank, North Liberty Community Pantry, and Mercy Hospital of Iowa City to host a community-wide food drive called **Thanksgiving in July**. We are asking individuals, businesses, civic organizations and faith based groups to **get involved in the fight against hunger** by hosting a food drive or fundraising activity in the month of July. Post a flyer and collect non-perishable items, encourage employees to participate in a "\$5 casual Friday", or a neighborhood food drive. The possibilities are endless and the need is growing. Complete the registration form below and fax or detach it to send by mail.

Visit www.thanksgivinginjuly.org for food drive & fundraising ideas or to download additional registration forms, flyers, and more!
